## Delivery program

Product range		Multi-function-display MFD-Titan
Accessories		Individual laser inscription
Description		Custom labeling of multi-function display with inscription software Labeleditor or supply of multi-function display programmed with user program
For use with		MFD80 MFD-CP8 MFD-CP10

### Notes

Individually inscribe your device in 4 stages:

- Download the inscription software: [www.moeller.net/support](http://www.moeller.net/support), keyword: "Labeleditor"
- Creation of label template (menu-guided in the software)
- Send the label template to the factory by email. The email address is automatically set for the selected product by the program. When your template is sent, the Labeleditor issues a file name such as "EASY\_12345.zip". This file name is part of the article to be ordered (see Ordering examples).
- Send order to the Eaton office or the electrical wholesalers.
